

BOGNER

## Sporting elegance since 1932

As a true pioneer of luxury sports fashion, Bogner combines functionality and style to create a distinctive brand experience. For more than 90 years, the brand has redefined elegance — on the slopes, in the city, and beyond. Built on innovation and iconic design, Bogner continues to shape where fashion meets function.

# BOGNER

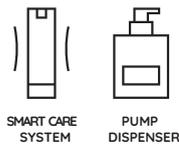

Sparkling citrus notes and sun-ripened orange open a radiant bouquet of jasmine, rose, and iris. This invigorating composition unfolds with effortless elegance and gently settles into a warm, woody-soft musk base — modern, finely balanced, and unmistakably Bogner.
