

A woman with her eyes closed, floating in water, with a blue text overlay. The background is a close-up of water with light reflecting off the surface, creating a shimmering effect. The woman's face is the central focus, with her hair pulled back. The blue overlay contains the brand name and a tagline.

ELEMIS

Inspired by nature and guided by science

ELEMIS is the leading British luxury skincare brand, backed by more than 30 years of expertise. The brand focuses on delivering proven results through feel-good skincare that combines nature with innovative science. Refined fragrances and indulgent textures create a truly luxurious care experience.

ELEMIS

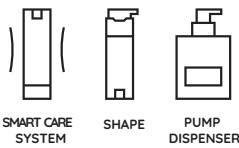

The enchanting Revitalise-Me fragrance blends invigorating notes of thyme, basil, and neroli, while aromatic oils of patchouli, ho wood, and eucalyptus awaken the body and delight the senses.

YOUR ADVANTAGES

- A spa experience focused on skin well-being
- Sophisticated, targeted formulations
- Refreshing aromas of thyme, basil, and neroli
