

ESTEBAN
— PARIS —

The art of living well

As a creator of olfactory emotions, Estéban has been an ambassador of French perfumery expertise and high-quality craftsmanship for over 40 years. The boutique perfume house creates refined fragrances that enhance life and living spaces, devoted to perfume lovers who are open to the world and seek a harmonious quality of life.

ESTEBAN
— PARIS —

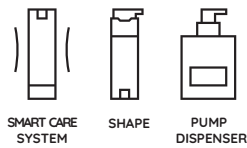

The creation opens with a fresh citrus bouquet, revealing floral elements with aquatic and green facets that create a watery aloe effect. The base rests on a warm background of white musk.
