

THINK,  
ACT &  
LIVE  
RESPONSIBLE

## Be part of the change

Products with low environmental impact are brought together in our Think, Act & Live Responsible collection with a motivating call to action. Guided by four core principles – rethink, refuse, reuse and recycle – this body care and accessories line focuses on sustainability and integrity, meeting the highest standards for organic cosmetics.

# THINK, ACT & LIVE RESPONSIBLE

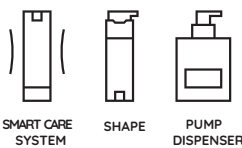

The refreshing aquatic green fragrance of the collection unfolds with notes of aloe vera, melon and green leaves, revealing a heart of cucumber and marine notes on a base of musk, amber and cedarwood.
